Make a loo roll bird feeder

Bheir biadh dha na h-eòin ann an dòigh annasach!

This is messy fun kids will love to get stuck into. Obair sgluidseach a chòrdas ri clann!
And it will help them learn about the birds in your neighbourhood.

You can make this simple feeder with items you probably already have at home:

1. Smother a cardboard tube in peanut butter (no added salt and sugar versions are suitable for birds).

Còmhdaidh rola ann an ìm-chnothan
(gheibh thu feadhainn gun shalainn no shiùcair a bharrachd a bhios freagarrach do dh'eòin)

3. Tie it up in your garden somewhere the birds will feel safe eating it.

Ceangail nad ghàrradh e far am bi e sàbhailte do dh'eòin a bhith ag ithe.

4. How many garden birds will you spot? Take a look at the **John Muir Trust** blog to help you and your children identify them.

Cia mheud eun gàrraidh a chì thu?
Bheir sùil air blog Urras Iain Muir airson beagan cuideachaidh le bhith gan aithneachadh,.

2. Roll it in bird seed and thread some string through the hole.

Rolaig ann an sìol e agus cuir snàthad tron toll.
